Title: THE GRIPWHEEL DRIVER HANDLE ASSEMBLY
AND METHOD OF ATTACHMENT
TO OBTAIN UNIQUE PROPERTIES

The Honorable Commissioner of
Patents and Trademarks
Washington, D.C.

Dear Sir:

This is an amendment to the aforementioned application to accompany an RCE request. Please review and telephone the Attorney of Record, Michael Greenberg, at 301-588-8393 before issuing any written response, if possible. An executed Power of Attorney signed by Applicant has been enclosed. I am starting with the first of the new claims below with number "1." but please do not confuse it with any and all other claims which might have been filed.

- A1
1. (NEW) A device for turning a screw, comprising:
a shaft;
a handle disposed on said shaft;
a first member freely rotatable about said shaft; and
a second member disposed adjacent to said first member, which is fixed to the shaft.
 2. (NEW) The device of claim 1, wherein said first member has a hole in its center to receive said shaft therein.
